Here to help Flamstead
residents in need

A Caring Charity for Flamstead Residents

The Wish Tree Charity supports Flamstead residents who are facing serious illness, a major operation, accident or bereavement by funding practical support such as childcare, domestic help, transport, gardening and pet care.

'We, the Trustees, do not always hear of people who may need assistance, so if you know of anyone in Flamstead who could benefit from the support of The Wish Tree Charity please do not hesitate to contact us in total confidence.'

The Trustees are ultimately responsible for the allocation of the charity's funds in accordance with its constitution, and each case is assessed on its own merits. Any offer of support from The Wish Tree Charity is free and not means tested and we are happy to visit you to discuss how the Charity might help. Funds are raised through community and sponsored events as well as personal donations. Donations can be made via a link on our website. Also, please do get in touch with us if you would like to get involved in the charity.
