- ✓ If I come across anything upsetting, unpleasant or nasty, or anything that makes me feel unsafe, I will tell my teacher or my parent/carer immediately.
- ✓ If someone says, asks or posts about me anything upsetting, unpleasant or nasty, or anything that makes me feel unsafe, I will not reply. I will tell my teacher or my parent/carer immediately.
- ✓ I will not give out my own or other people's personal information, including: name, phone number, home address, interests, schools or clubs. I will tell my teacher or parent/carer if anyone asks me online for personal information.
- ✓ Uploading or sending my image (photographs, videos, live streaming) online puts me at risk. I will always seek permission from my teacher or parent/carer if I wish to do this. I will not take, share or upload any image of anyone else without their permission and also, if they are a child, without their parent's/carer's permission.
- ✓ Even if I have permission, I will not upload any images, videos, sounds or words that **could** upset, now or in the future, any member of the school community, as this is cyberbullying.
- ✓ I understand that some people on the internet are not who they say they are and some people are not safe to be in contact with. I will not arrange to meet someone I only know on the internet. If someone asks to meet me, I will not reply to them and I will tell a teacher or a parent/carer immediately.
- ✓ I understand that everything I do or receive online can be traced now and in the future. I know it is important to build a good online reputation.
- ✓ I understand that some personal devices are allowed in school and some are not, and I will follow the rules. I will not assume that new devices can be brought into school without getting permission.
- ✓ I will not lie about my age in order to access games, apps or social networks that are for older people as this will put me at risk.
- ✓ I understand that these rules are designed to keep me safe now and in the future. If I break the rules my teachers will look into it and may need to take action.

This agreement is to keep me safe. I have discussed this agreement with my parents/carers and understand the commitment I have made and my responsibilities.

Online Safety Acceptable Use Agreement

Parent/s Carer/s agreement

Parent/s Carer/s name/s.....

The internet, email, mobile technologies and online resources have become an important part of learning and life. We want all children to be safe and responsible when using any IT. It is essential that children are aware of online risk, know how to stay safe and know where to go to report problems or to get help.

Please read through these online safety rules with your child/ren and talk with them to ensure they understand their importance and what it means for them (and for you). When you have done this, you both need to sign this agreement to say that you agree to follow the rules. Any concerns or explanation can be discussed with Ms S Jones, Headteacher.

I/we have discussed this agreement, which highlights the associated risks when accessing the internet, mobile and digital technologies, with our child. I/we agree to support them in following the terms of this agreement.

I/we also agree not share school related information or images online or upload/post material that may bring the school, or any individual within it, into disrepute.

Rather than posting negative material online, any parent, distressed or concerned about an aspect of school should make immediate contact with a member of staff. Negative postings about the school would impact on the reputation of the whole school community. Parents are encouraged to report breaches so that we can protect the reputation of the school, staff, pupils and parents.

I/we also agree only to use personal mobile phones and devices in designated areas of the school unless otherwise informed, e.g. for specific events and activities. I/we understand that under no circumstance should images be taken at any time on school premises of anyone other than our own child/ren, unless there is a pre-specified agreement. I/we understand that when on school premises, but not in a designated area where phones can be used, they must be switched off and out of sight.
