

Flamstead

VILLAGE SCHOOL

This Week's News!

Friday 20th December 2024

Dear Parents / Carers and Flamstead Families,

What a wonderful week we have had in school. It has been lovely to share so many events as a school with you all and to have had the opportunity to make so many lovely memories for our children.

The EYFS and KS1 production 'Bundle of Joy' was wonderful. This week they have performed a dress rehearsal to the rest of the school and also put on two fantastic shows for parents, carers and family members. The children sang beautifully, remembered their words and sparkled on stage. We send our thanks and gratitude to Christy Lee and Chris Goor who have kindly filmed our production again this year. The link for the recording has been sent to the parents and carers of children in EYFS and KS1, we hope you enjoy watching it.

The whole school also made Christingles this week and the school was filled with the aroma of oranges. Our Year Six children brought their Christingles to our Church Service on Tuesday and there was a beautiful atmosphere in Church. We are thankful to St Leonard's Church, Vicar Jo Burke and Sam Davis for being so welcoming and providing a beautiful setting for our Christmas Service. It was wonderful to see so many parents, extended family members and Governors there too.

Thursday the whole school was in a festive mood with the children's Parties in the afternoon. Great fun was had by all the children and it was lovely to see so many happy faces.

We had our end of Term assembly this morning, in which we gave out our termly certificates for children in each year group. There are many children who have put so much effort into their learning over the term and it is a tricky job for the class teachers to select children for certificates. 'Always' certificates were given to children who always give their very best at all times and show great resilience. Our 'Achievement' certificates were given to children who have shown good achievement over this term. We also awarded our termly Star Trophies for stars in EYFS, KS1, KS2 and to an overall Sports Star. Well done to all the children who received awards today.

Many thanks for all the lovely cards, gifts and Christmas wishes myself and the whole staff have received this week. We are all very thankful and grateful to be part of such a wonderful school community.

Have a magical Christmas. I do hope you enjoy time with your loved ones and that the Christmas break is everything you need it to be.

We look forward to welcoming you all back to school on Monday 6th January 2025.

Best wishes

Jacqui Walton-Jones

Headteacher

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? A

macy First Service enables children access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? A

GP appointment? A

Accessing the service may mean that we can help children feel better and get back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<u>Common condition</u>	<u>Patient eligibility</u>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over
