

Dear Parents,

Welcome to Flamstead Village School, a very special place for children to grow and learn.

Friends of Flamstead School (or FOFS) are a registered charity connected to the school and run by parents. Over the last ten years we've raised thousands of pounds which has been spent on school equipment, facilities and resources to enhance the children's educational experience.

Specifically, in the last two years, we've replaced every chair in every classroom, decorated two of the classrooms and the Reception, as well as re-carpeting the Reception and the school's main corridor.

We've developed and built an Outdoor Learning area, adding a greenhouse, raised flower beds and wooden benches. We've taken the school's pond from an unloved concrete space to a beautiful wildlife area with water feature.

FOFS is about more than fundraising. It provides closer links between home and school and it's an excellent way to bring staff, parents and friends together socially and in support of the school, working towards a common goal.

We encourage all parents and members of the school community to get involved, whether that's by volunteering or simply coming along to one of our events. With your support, we can achieve great things and give our children the best school experience possible.

The Committee

Co-Chairs: Christy Lee and Alister Coulter

Treasurer: Jordana Robinson

Secretary: Sarah Peacock

Committee member: Anna Franklin

We are currently looking for new members. If you'd like to get involved, email friendsofflamsteadschool@gmail.com.

Volunteers

We welcome any help from parents, teachers and friends, particularly at our regular events, the **Fish and Chips Quiz Night** and **Flamstead Village Fireworks**. Every little helps, so just one hour of assisting at an event would be invaluable.

If you'd like to join us please speak to a committee member, come along to our next meeting or email us at [**friendsofflamsteadschool@gmail.com**](mailto:friendsofflamsteadschool@gmail.com).

We look forward to hearing from you,

The FOFS Team
