

SAFER ROADS FOR FLAMSTEAD

A team of local residents is looking for volunteers to help run a Drive Safe campaign in the village.

Working directly with the Office Of the Police and Crime Commissioner For Hertfordshire the aim of the campaign is to gather data on how people are currently driving through the village.

This exercise will raise awareness of the speed at which people are driving and to encourage people to think about making our village a safer place.

If you are interested in supporting us we'd love to hear from YOU!

HOW CAN YOU HELP?

We need volunteers to help run small group speed checks on a variety of days and times. If you have some spare time and are keen to help this worthy initiative to make our beautiful village safer for all who live here, please do get in touch (details below).

Watch this space for regular updates!
