## **STATEMENT**

At Flamstead Village School we are committed to promoting equality of opportunity, eliminating discrimination and harassment, valuing diversity and promoting positive relationships. We provide an inclusive education which enables all pupils to develop their full potential meeting the requirements of the Equality Act 2010. We believe that diversity is a strength which should be respected and celebrated by all those who learn, teach and visit us.

This Equality Statement is concerned with all pupils' access to the curriculum and the recruitment and opportunity of all staff.

The Equality Act of 2010 introduced a single Public Sector Equality Duty (PSED) that applies to schools and all public bodies. In common with all public bodies, Flamstead Village School will have due regard to the need to:

- Eliminate discrimination.
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
- Foster good relations across all characteristics, between people who share a protected characteristic and people who do not share it.

In practise, due regard means that the Governing Body and the leadership team will:

- Consider when making decisions or taking action the implications (if any) for people with particular protected characteristics.
- Consider equality implications before and at the time that they develop policies and take decisions, not as an afterthought and keep them under review on a continuing basis.
- Integrate PSED into the implementation of school functions and ensure that the analysis necessary to comply with the duty is carried out seriously, rigorously and with an open mind.
- It is unlawful to discriminate in the following areas, termed as protected characteristics: age, disability, gender, gender reassignment, marriage and civil partnership, pregnancy, race, religion or belief and sexual orientation.

## **AIMS**

Flamstead Village School will comply with the legislation of the Equality Act 2010:

- Continue to maintain the school's position as a provider of the high-quality education and as a good employer, providing development opportunities for all staff.
- Ensure all staff work together with a shared sense of purpose to meet the needs of every pupil.
- Ensure that pupils and staff contribute towards a happy and caring environment by showing respect for and appreciations of one another and individuals
- To enable staff and volunteers, as well as those within the wider community, to take part as fully as possible in school life.

## **CURRICULUM**

We seek to provide a broad and balanced curriculum in which the basic skills in literacy and numeracy are taught progressively and systematically. Furthermore, the school's aim is to provide for all pupils according to their needs, irrespective of gender, ability or ethnic origin.

The curriculum avoids stereotypes and provides good role models for all pupils. The school seeks to ensure that the curriculum is not delivered in a discriminatory way.

## **TEACHING & LEARNING**

We provide all our pupils with the opportunity to succeed and to reach the highest level of personal achievement. We do this by:

- Ensuring equality of access for all pupils and preparing them for life in a diverse society.
- Encouraging pupils to respect the fundamental British Values of democracy.
- Using materials that reflect the diversity of the school population and local community without stereotyping.
- Promoting attitudes and values that challenge any discriminatory behaviour or prejudice.
- Provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures.
- Seeking to involve all parents in supporting their child's education.
- Utilising teaching approaches appropriate for the whole school population which are inclusive and reflective of our pupils.

All members of the school community are responsible for promoting the school's equality statement and are obliged to respect and act in accordance with it.

For further information please see the school's Equality Information and Objectives Policy, Accessibility Plan and SEND Policy.

This statement is updated annually, and objectives are reviewed by the Governing Body every four years.
