

## Affordable Housing Survey for Flamstead is now Live – We Need Your Views

Following on from the March magazine, as promised, the affordable housing needs survey for Flamstead is now live. It is open to people who live and work in Flamstead, or have a close connection to the parish and would like to return to live here. The more responses we get, the better, so please either complete the paper survey which should have been delivered to you or use the QR code or survey monkey links (one per household please). The QR code or the survey monkey links are preferred for completion of the survey, however, paper copies are also welcome.

**The survey runs from 1<sup>st</sup> April to 12<sup>th</sup> May 2023**

Options to complete the survey (choose ONE):

- 1 QR code (accesses the survey from your smartphone or tablet camera)

- 2 Complete paper survey which will be delivered to you
- 3 Go to the survey monkey link; [www. \*\*surveymonkey.co.uk/r/Flamstead\*\*](http://www.surveymonkey.co.uk/r/Flamstead)

Completed paper surveys can be dropped off at the Clerk's house at 127 Trowley Hill Rd, Flamstead AL3 8DS (again to save on postage costs), but return postage is free to you if you prefer to post them.

If you have any queries, please email: [clerk@flamsteadparishcouncil.gov.uk](mailto:clerk@flamsteadparishcouncil.gov.uk)

Your cooperation is much appreciated and we look forward to receiving a really healthy response!

Many thanks

Caroline Freer – Clerk to the Council
